

SAVE

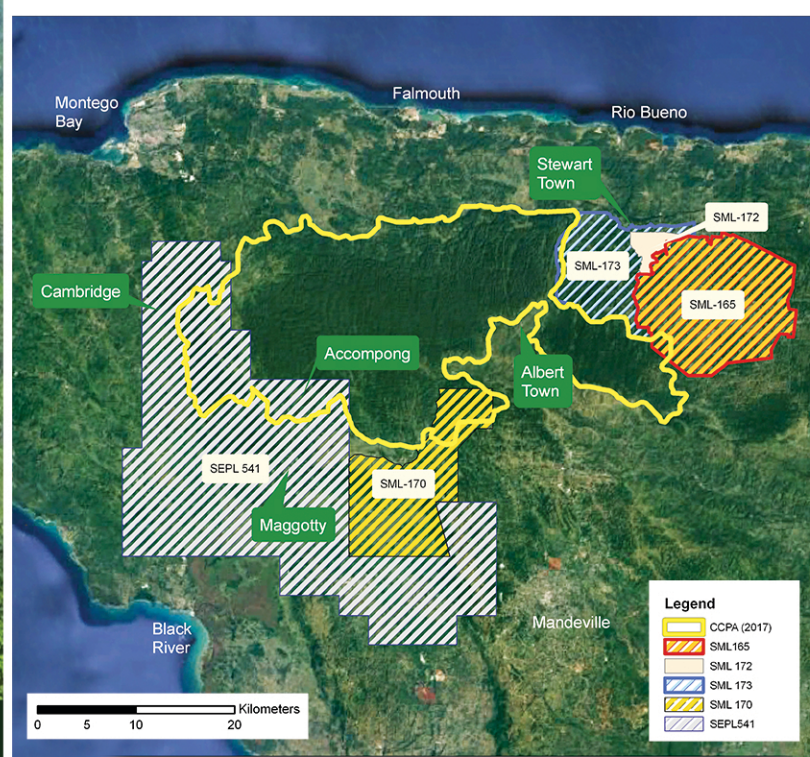

COCKPIT
COUNTRY

BAUXITE MINING STILL THREATENS COCKPIT COUNTRY

**Cockpit Country is not yet
protected or closed to mining
under Jamaican law**

Designated Cockpit Country Protected Area
with existing Mining Leases & Prospecting Licenses

Removes rich,
fertile top soil

Degrades land and all
the rich biodiversity
and forests it supports

BAUXITE MINING

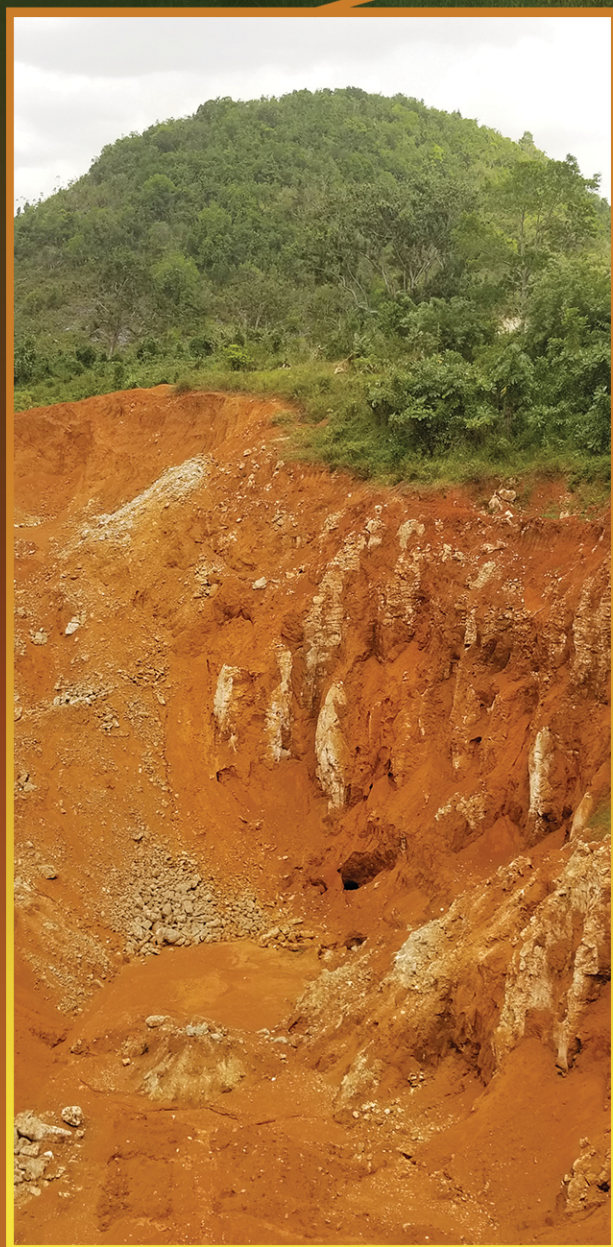

Pollutes the air

Threatens valuable
surface and underground
water resources

Displaces
Jamaican
communities

What you can do to help:

1. **WRITE** - Write a letter of concern to your political representatives and the newspapers
2. **SPEAK OUT** - Let everyone know you don't want mining or quarrying in Cockpit Country
3. **LEARN** - Find out more about Cockpit Country by visiting www.savecockpitcountry.org
4. **SHARE** - Spread the word about the importance of Cockpit Country by sharing information on your social media networks using the hashtag [#savecockpitcountry](https://twitter.com/savecockpitcountry)
5. **FOLLOW** Jamaica Environment Trust on Facebook, Instagram and Twitter for more information and updates
